Bring a plate to share, settle back and enjoy the music - and be ready to join in as we all sing the "UNITY" song, written and performed by our West Papuan friend, Hein.

This song will be the basis for a You Tube video clip, and we will be filming the massed singing of UNITY at the Big Sing to include in the clip.

The Big Sing is a joyous and informal afternoon of music, food and friends, definitely not to be missed!

Sponsored by City of Yarra and supported by Belgium Avenue, Collingwood and Finbar Neighbourhood houses.
